

In addition, the meeting will involve three special events:

**Special session in honour to 90<sup>th</sup> Birthday of Prof. Milan Randić;**  
**Special session in memory of Dr. Mircea Diudea;**

and

**The 2021 meeting of the International Academy of Mathematical Chemistry (IAMC)**

which will be held on Monday, June 7, and Tuesday, June 8, 2021, in Dubrovnik, Croatia. The meeting will be a satellite event and attached to the MCC conference. The arrival date is planned to be Sunday, June 6. For the members of the IAMC that will attend only the meeting of the Academy, the reduced fee is 70 EUR. For more information about IAMC see: [http://www.iamc-online.org/who\\_we\\_are/index.htm](http://www.iamc-online.org/who_we_are/index.htm)

Moreover, we will offer

**Workshop in computational chemistry:**

**Igor Rončević**, Institute of Organic Chemistry and Biochemistry, CAS, Prague, Czech Republic

*Modelling Reactions at Metal-organic Interfaces*

**REGISTRATION AND ABSTRACTS**

Participants should register and submit abstracts by e-mail to the director of the MC<sup>2</sup> conference to the address:

[vancik@chem.pmf.hr](mailto:vancik@chem.pmf.hr)

**Conference website:**

<http://www.pmf.unizg.hr/chem/mathchemcomp>

Registration submission deadline: April 15, 2021.

The abstract template is available on the conference website.

Abstract submission deadline: May 15, 2021.
