

# Tomislav Marošević

Assistant Professor, [tmarosev@mathos.hr](mailto:tmarosev@mathos.hr)  
University of Osijek, Department of Mathematics  
PhD University of Zagreb, 1998

Research interest: numerical and applied mathematics

Recent publications:

[1] T. Marošević, R. Scitovski, *An application of a few inequalities among sequences in electoral systems*, **Applied Mathematics and Computation** **194**(2007), 480-485.  
(<http://dx.doi.org/10.1016/j.amc.2007.04.050>)

Selected publications:

[1] T. Marošević, *On directional bias of the  $L_p$ -norm*, in: **Proceedings of the Conference on Applied Mathematics and Scientific Computing** (Eds. Z. Drmač et al.), Kluwer Academic Publishers, Boston/Dordrecht/London, 2002, 221-227.
