

**Courses eligible for enrolment of incoming Erasmus+ students at the study programmes of the Department of Geology,  
Faculty of Science for the academic year 2023/24**

Lecturer	Course	Course code (ISVU)	ECTS	Study level (BSc or MSc)	Study programme (name)	Teaching
<b>WINTER SEMESTER 2023/24</b>						
Kristina Pikelj	Marine geology	63327	4	BSc	Undergraduate study of geology	Individual lectures in English, laboratory practice, exam in English (written and oral)
Kristina Pikelj	Marine geology	44100	5	MSc	Graduate study of geology	Individual lectures in English, laboratory practice, exam in English (written and oral)
Bojan Matoš	Structural Geology and Tectonics	63320	5	BSc	Undergraduate study of geology	Materials in English/Croatian - individual consultations in English, laboratory practice, exam in English (written and oral)
Katarina Gobo	Geohazards	44088	6	MSc	Graduate study of Environmental geology	Lectures and practice in English, exam in English (written)
Katarina Gobo	Geological Hazards	57287	4	MSc	Graduate study of Physical Geography and Geoecology	Lectures and practice in English, exam in English (written)
Karmen Fio Firi	Elements of the Scientific work	44021	5	MSc	Graduate study of Geology and Graduate study of Environmental Geology	Materials in English/Croatian - individual consultations and tasks in English, exam in English (written and/or oral)
Snježana Markušić	Geophysics	41028	5	BSc	Undergraduate study of geology	Individual lectures and consultation; written materials; practice; exam (written and oral): all in English
Vlasta Čosović	Micropaleontology I	41035	3	BSc	Undergraduate study of geology	Lectures and practice in English, exam in English (written and oral)

Hana Fajković	Environmental geochemistry	44104	5	MSc	Graduate study of Environmental geology	Materials in English/Croatian - individual consultations in English, exam in English (written and oral)
Hana Fajković Željka Fiket	Instrumental methods in environmental analysis	44103	5	MSc	Graduate study of Environmental geology	Materials in English/Croatian - individual consultations in English, exam in English (written and oral)
Hana Fajković	Environmental law	44105	5	MSc	Graduate study of Environmental geology	Materials in English/Croatian - individual consultations in English, exam in English (written and oral)
Andrea Čobić	Gemmology	63325	4	BSc	Undergraduate study of geology	Individual lectures and consultation; written materials; practicum; exam (written and oral): all in English
		44098	5	MSc	Graduate study of Geology	
Maja Martinuš	Karst Geology	44085	6	MSc	Graduate study of Geology	Individual lectures and consultation in English, exam in English (written)
<b>SUMMER SEMESTER 2023/24</b>						
Katarina Gobo	Analysis and interpretation of facies	71835	5	BSc	Undergraduate study of geology	Lectures and practice in English, exam in English (written and oral)
Katarina Gobo	Geology and geochemistry of crude oil	44106	5	MSc	Graduate study of geology	Lectures and practice in English, exam in English (written)
Blanka Cvetko Tešović Đurđica Pezelj	Micropaleontology II	44107	5	MSc	Graduate study of Geology	Lectures in English, laboratory practice, individual consultations in English, exam in English (written and oral)
Vlasta Čosović	Microfossils, Environments and Time	60280	4	MSc	Graduate study of Environmental Sciences	Lectures and practice in English, exam in English (written and oral)

Ankica Oros Sršen	Zooarchaeology	71941	5	MSc	Graduate study of Geology and Graduate study of Environmental Geology	Materials in English/Croatian - individual consultations and tasks in English, exam in English (written)
Marija Romić	Biogeochemistry	44122	5	MSc	Graduate study of Environmental geology	Lectures in English, laboratory practice, individual work, exam in English (written/oral), Study guide in English
Dalibor Paar	Physics	TBA#	6	BSc	Undergraduate study of geology	Materials in English, individual consultations and tasks in English, exam in English (written)
Andrea Čobić	Geology of mineral deposits	41043	5	BSc	Undergraduate study of geology	Individual lectures and consultation; written materials; practicum; exam (written and oral): all in English
Igor Felja	Environmental Geology	44087	6	MSc	Graduate study of Environmental Geology	Lectures, practice and consultation in English; exam (written and oral) in English

*TBA# - subject will get a special ISVU code for English class that will be announced later*
